

Environmental Sustainability Policy

Overview

Satoshi Systems Limited recognises that it has a responsibility to the environment beyond legal and regulatory requirements. We are committed to reducing our environmental impact and continually improving our environmental performance as an integral part of our business strategy methods, with regular review points. We will encourage customers, suppliers and other stakeholders to do the same.

Purpose

This Environmental Sustainability Policy aims to integrate a philosophy of sustainable development into all the organisation's activities and to establish and promote sound environmental practice in our operations.

Policy

Satoshi Systems Limited commits itself to minimising its impact on our environment through:

- Providing a safe and healthful workplace;
- Having an environmentally sustainable aware culture, where responsibility is assigned and understood;
- Being an environmentally responsible neighbour in our community;
- Conserving natural resources by reusing and recycling;
- Using, in our own operations, processes that do not adversely affect the environment;
- Ensuring the responsible use of energy throughout the organisation;
- Participating in efforts to improve environmental protection and understanding;
- Taking steps to improve environmental performance continually;
- Conducting rigorous audits, evaluations, and self-assessments of the implementation of this policy;
- Working with suppliers who promote sound environmental practices; and
- Enhancing awareness among our employees, volunteers, and users – educating and motivating them to act in an environmentally responsible manner.

Responsibilities

It shall be the responsibility of the Board to establish and maintain policies and procedures and to bring these procedures into effect. It shall be the responsibility of the CEO to ensure implementation of these policies and procedures:

1. Satoshi Systems Limited will develop guidelines for staff, volunteers and users to adopt sound environmental work practices, and adequate training will be provided to ensure these practices are carried out.
2. Satoshi Systems Limited will act responsibly to correct incidents or conditions that endanger health, safety, or the environment. It will promptly report any such incidents to the relevant authorities and inform affected parties as appropriate.
